EXPLANATORY NOTE

We are filing this Amendment No. 1 to our annual report on Form 20-F for the fiscal year ended December 31, 2014 (the “2014 Form 20-F”), which was originally filed with the Securities and Exchange Commission on April 28, 2015, for the sole purpose of correcting a clerical error in Item 15 of the 2014 Form 20-F. Our internal control over financial reporting used by management was based on criteria established in the Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), which was inadvertently and incorrectly stated as the 1992 framework in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission in the 2014 Form 20-F.

As required by Rule 12b-15 of the Securities and Exchange Act of 1934, as amended, we are also filing as exhibits to this Amendment No. 1 the certifications required under Section 302 of the Sarbanes-Oxley Act of 2002.

No other changes have been made to the 2014 Form 20-F. This Amendment No. 1 does not reflect events that have occurred after the April 28, 2015 filing date of the 2014 Form 20-F, or modify or update the disclosures presented therein, except to reflect the amendment described above.

ITEM 15. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

Our management, with the participation of our chief executive officer and chief financial officer, has performed an evaluation of the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Exchange Act) as of the end of the period covered by this report, as required by Rule 13a-15(b) under the Exchange Act.

Based upon that evaluation, our management has concluded that, as of December 31, 2014, our disclosure controls and procedures were effective in ensuring that the information required to be disclosed by us in the reports that we file and furnish under the Exchange Act was recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms, and that the information required to be disclosed by us in the reports that we file or submit under the Exchange Act is accumulated and communicated to our management, including our chief executive officer and chief financial officer, to allow timely decisions regarding required disclosure.

Management's Annual Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as defined in Rule 13a-15(f) under the Exchange Act. Our management evaluated the effectiveness of our internal control over financial reporting, as required by Rule 13a-15(c) of the Exchange Act, based on criteria established in the Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework). Based on this evaluation, our management has concluded that our internal control over financial reporting was effective as of December 31, 2014.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. In addition, projections of any evaluation of effectiveness of our internal control over financial reporting to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

Our independent registered public accounting firm, Ernst & Young Hua Ming LLP, has audited the effectiveness of our internal control over financial reporting as of December 31, 2014, as stated in its report, which appears on page F-2 of this Form 20-F.
