1. We note your response to prior comment 1 that there have been no items similar to the one-off tax impact excluded from non-GAAP net income/(loss) in 2015. Nonetheless, you should provide for the income tax effects related to adjustments to arrive at non-GAAP net income/(loss). In this regard, you should include an adjustment for the income taxes related to all of the reconciling items. For example, in your presentation of non-

GAAP net income/(loss) and non-GAAP net income/(loss) attributable to Fang Holdings Limited shareholders for the three and six months ended June 30, 2018, we note that you add back the expense related to the change in fair value of equity securities, without subtracting the income tax benefit associated with this charge. Please provide us with your revised computation of non-GAAP net income/(loss) and non-GAAP net income/(loss) attributable to Fang Holdings Limited shareholders to be included in the future filings.
